Program of Instruction:

Title of program: Associate of Science in Business and Companion Dog Studies
Academic Degree Awarded Upon Successful Completion of Associate Degree Program

Program completion requirements:

Total credits: 60.5 semester credits

Start date: August 17, 2020

Scheduled completion date: May 1, 2021

Semesters: Fall 2020 & Spring 2021 - nine months to complete degree program. The maximum time frame to complete the program is 1.5 times the length of the program. The Associate of Science Degree Programs, while meeting the expectation of two-years of student learning outcomes with 61 semester credits required for graduation, are actually completed in two full semesters' terms of enrollment. This is possible because the student completes 37 semester credits at the College with 24 semester credits of the program applied through transferred in courses. Maximum program length for the A.S. degree is 54 semester credit hours (36x1.5) rounded off to four (4) semesters (terms) of enrollment.

Bergin College of Canine Studies reserves the right to modify program requirements, content, and the sequence of program offerings for educational reasons which are deemed necessary to fulfill its role and mission.

Program Course Attendance:

Class time generally begins at 8:00 am and concludes at 3:00 pm Monday through Friday. Students will be assigned rotating groups in the Kennel Technology supervised lab. When a student is part of the "on" group, morning class time will begin at 7:15 am. If students choose to participate in an elective course, class times are scheduled for two days a week from 4:00-5:00 pm subject to change.

Please Note: Courses that include field trips or client interviews will occasionally run until 3:50 pm. Class schedule times vary from semester to semester.

DISMISSAL AND REINSTATEMENT

Student termination may result from unsatisfactory academic progress, unsatisfactory course completion, failure to achieve the appropriate proficiency level within the prescribed timeframe, use of controlled substances on campus, carrying of weapons on campus, conduct detrimental to the institution, failure to comply with financial aid regulations, non-observance of other student regulations, any harm to campus dogs, or if attitude or conduct is not in accordance with the ideals and standards of the College. A student who is dismissed may appeal to the Chief Academic Officer, who will make the final determination. To file an appeal, a student should submit a written letter to the CAO stating why termination should not occur with supporting documentation. A meeting between student and CAO will be arranged to further discuss the termination/appeal. The CAO will make the final determination within 10 days of the meeting.

TUITION REFUND POLICY

Bergin College of Canine Studies follows the State of California's Bureau of Private Postsecondary Education refund policy. This policy is applicable whether or not a student has begun training by physically attending the classes. A student has the right to receive 100 percent of the amount paid for institutional charges, less the non-refundable fees not to exceed one hundred fifty dollars (\$150) if notice of cancellation is made through attendance at the first class session or the seventh day after enrollment, whichever is later. All monies paid by an applicant will be refunded if requested within three (3) days after signing an enrollment agreement and making an initial payment.

A student who has been enrolled for more than seven (7) days and less than 60% of a program's term (Semester, Session, Seminar, Course) and finds it necessary to withdraw from a Bergin College educational program may be eligible for a partial refund of their paid tuition. Tuition and fees (including assessment fees, student service fees and book fees) are refundable at a pro-rata rate to 60% term, program, or course completion. The student must adhere to the "Withdrawal" policy stated in the Bergin College's Catalog. The effective date of withdrawal will be set as the date the student meets all the requirements of the withdrawal policy including written notice of withdrawal and returns all school property. Exceptions can be made for students called to active duty (copy of service orders is required) or in the event of the student's death or disability.

For purpose of determining your obligation for the time attended, you will be considered to have withdrawn from the program when any of the following occurs:

- When you notified the school of the withdrawal or the actual date of withdrawal, whichever is later.
- If you fail to return from your approved Leave of Absence (LOA), the date of withdrawal shall be the first date of the leave of absence.
- If the school terminates your enrollment.

After the beginning of the enrollment period, a student is liable for the cost of textbooks and supplies provided by Bergin College. In addition, the student is liable for tuition charges for the term during which the student withdrew or was dismissed including all other outstanding charges from prior terms, as per the following schedule.

All terms of all degree programs:

Depending on when in the term the withdrawal or dismissal occurs, the student is liable for:

Prior to or during the first week = 0% of the term's total tuition charges

Up to 60% of the term, a prorated rate of the term's total tuition based on number of required days of attendance.

After 60% of the term, no refund is given.

Students who withdraw before completing 60% of the program's term are eligible for a pro rata refund less the non-refundable fees. The pro rata refund amount is determined by the daily charge for

the program term multiplied by the number of days the student attended, or was scheduled to attend, prior to withdrawal. If a student is eligible for a refund, the refund will be made within 30 days of the effective withdrawal date.

Refund Example:

Process	Example
A student withdraws after completing 40 class days of an Associate of Science semester. The semester is 80 days in length. Therefore, the student has completed 40 out of 80 days or 50 percent of the semester.	Student = 40 days of attendance Semester = 80 class days Total semester tuition/support services & supplies charge = \$5,225 Daily tuition charge = $\$5,225/80 = \65.3125 per class day Tuition charge for 40 days = $40 \times \$65.3125 = \$2,612.50$
If the student has paid \$5,225 in tuition/support services & supplies, she or he will receive a tuition refund of \$2,612.50.	Tuition paid = \$5,225.00 Tuition charge = - \$2,612.50 Refund = \$2,612.50

All refunds based on the Bergin College Refund Policy are calculated by the Business Office manually. All refunds due to student shall be made within 30 days of formal cancellation by the student or formal dismissal by the school. The student is notified of the results of the refund calculation and notified of his/her liabilities in writing. A follow-up phone call is made by the Business Office. The Financial Aid Office performs the Title IV refund calculation and determines the student’s and the institution’s liability for program specific return of overpayments to the Department of Education.

If you have received federal student financial aid funds, you are entitled to a refund of moneys not paid from federal student financial aid program funds.

STUDENT TUITION RECOVERY FEE

The State of California established the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic loss suffered by a student in an educational program at a qualifying institution, who is or was a California resident while enrolled, or was enrolled in a residency program, if the student enrolled in the institution, prepaid tuition, and suffered an economic loss. Unless relieved of the obligation to do so, you must pay the state-imposed assessment for the STRF, or it must be paid on your behalf, if you are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition.

You are not eligible for protection from the STRF and you are not required to pay the STRF assessment, if you are not a California resident, or are not enrolled in a residency program.

It is important that you keep copies of your enrollment agreement, financial aid documents, receipts, or any other information that documents the amount paid to the school. **Questions regarding the STRF may be directed to the Bureau for Private Postsecondary Education, 1747 N. Market Boulevard, Suite 225 Sacramento, CA 95834, (916) 574-8900 or (888) 370-7589.**

NOTICE CONCERNING FEDERAL OR STATE GOVERNMENT LOAN DEFAULT

If a student has received a loan to pay for an educational program, the student will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund. If a student is eligible and receives a loan guaranteed by the federal or state government and subsequently defaults on the loan, both of the following may occur:

- The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan.
- The student may not be eligible for any other federal student financial aid at another institution or other government assistance until the loan is repaid.

EXPLANATION OF COSTS

Training Outings

AS students are required to participate in fieldtrips with clients with disabilities and in mock client boot camps. The cost for the lunches, dinners and other activities that are required on these outings is estimated at approximately \$150 for each two-week boot camp. This cost is in addition to the semester's tuition and is paid by the student.

Room, Board and Transportation

Food is the student's responsibility and varies as a result of individual taste.

Off campus housing: Most students attending classes at the College will need to find their own housing. You can find listings online through the local newspaper at www.pressdemocrat.com, www.craigslist.org or a variety of other online listings or local rental agencies. Please also contact Student Services to join the College's Housing Facebook page. Since Sonoma County is home to one junior college and one other college, numerous rooms are available for student rental starting as low as \$700-\$1,000/month for shared housing.

Short term stays: Extended stay hotels and motels are available but are generally more expensive than other forms of accommodation. Students make arrangements directly with the facility.

Transportation: With gas prices changing dramatically now, it is hard to estimate total commute expenses. Gas costs to commute to and from the College average \$35 per week for a typical vehicle. The College is on a county bus service route.

Note: All fees are reviewed each year and adjusted as appropriate. Fees are subject to change without notice.

Student loans:

If any portion of your tuition was paid from the proceeds of a loan, then the refund will be sent to the lender or to the agency that guaranteed the loan, if any. Any remaining amount of the refund will first be used to repay your financial aid programs from which you received benefits, in proportion to the amount of the benefits received. Any remaining amount will be paid to you. If there is a balance due, you will be responsible for paying that amount. If you have obtained or are applying for any educational or private loans for the purposes of paying tuition, please supply us with the following information:
