

Dear Prospective Client,

Thank you for your interest in being matched with one of our wonderful service dogs! This packet includes the Assistance Dog Application, Medical History Form, and Service Provider reference form. Please read the instructions carefully, we cannot process applications until we have received all of the required information. If you have any questions about the application process, please email us at [ServiceDogRequest@BerginU.edu](mailto:ServiceDogRequest@BerginU.edu).

### **Step 1: Complete the application**

#### **A completed application includes the following:**

1. A \$50 non-refundable application fee (waived for Veterans with service-related disabilities).
2. For Veterans: A copy of your DD214. *Do not send the original document.*
3. Your photo (within the last year).
4. The completed *Assistance Dog Application form*.
5. The Applicant *Reference – Treatment/Service Provider Reference form* identifying any other relevant health providers we may need to contact for information on your need for a service dog.
6. Signed acknowledgement from family members or designated supportive contacts confirming this person is aware of your application for a service dog and supports the process, the placement of a service dog, and the follow-up of the team.
7. The *Applicant Medical History form* completed by your physician or primary care specialist.  
\*For applicants diagnosed with Post-Traumatic Stress Disorder, the medical history form must be filled out by the professional overseeing your mental health treatment plan. In order to apply for a service dog for PTSD, applicants must sign a consent form allowing BUCS to communicate directly with your mental health treatment provider or treatment team. If you are a veteran seeking a service dog for symptoms of PTSD *and* mobility limitations, please have *both* your physician and your mental health provider fill out separate medical history forms.
8. A personal letter of reference from a friend, teacher, or someone other than family.
9. A professional letter of reference from a therapist, social worker, teacher, or any other professional with whom you have contact.
10. A one-page letter stating your reasons for wanting a service dog and how you feel the dog would benefit you.
11. Contact information for all persons providing supporting documentation (individuals writing reference letters, health care providers, and any other persons sending in documentation).

Mail a hard copy to:

Bergin University of Canine Studies  
Attn: Client Services  
10201 Old Redwood Highway  
Penngrove, CA 94951

OR email a scanned copy to: [ServiceDogRequest@BerginU.edu](mailto:ServiceDogRequest@BerginU.edu)

### **Step Two: Preliminary Acceptance and Additional Paperwork**

After a successful application review by our staff (including our Clinical Consultant), the next steps in the process begin as we send you six social style forms (to be completed by people you select), a preliminary interview form, photos & videos of your home and work (if applicable), more information on any household pets, as well as any additional documentation needed from you or your Provider. Once we receive these documents, we will add you to our Interview waitlist. Bergin University students conduct all of our interviews, under staff supervision, as part of their coursework in Assistance Dog Education. Interviews are conducted during class periods and are scheduled to fit in with the academic calendar and student coursework.

### **Step Three: Interview and Follow-Up**

We will contact you to schedule an interview with Bergin University students on campus. If you are unable to travel to our campus, we will arrange to conduct the interview via video conference. The interview is the final step in the process that enables us to determine if our service dogs are able to meet your needs. If your application is accepted after the interview, we will begin the process to match you with a dog. During this time, you will be on our waitlist. After the interview, we may conduct further follow-up with providers and family members. *\*Note: there will be quarterly follow-up with staff to update the application after acceptance to the waitlist in order to keep all information up to date.*

### **Step Four: Final Acceptance**

Approximately two to four weeks after the interview we will notify you if you are selected for a service dog placement. If you are selected for placement, please understand that it may take more than two years to match a client with a dog due to the high demand for assistance dogs and the necessity of matching each dog carefully to the personality and needs of each client. In addition, our focus involves the education of the human students enrolled in our degree programs, so we do not graduate as many dogs as a traditional service dog program that employs professional trainers.

We strongly recommend that you also apply to other service dog organizations so that you have a greater chance of being matched with a dog as soon as possible. Please see the [Assistance Dogs International website](#) for a list of programs throughout the country placing service dogs.

### **Step Five: Match**

Once a potential match for you has been determined, you will be invited to attend the two-week Assistance Dog Client Training certificate course held at our Penngrove, California campus. This class is taught by our Associates students who are earning their degree in Assistance Dog Education. The class will culminate in a graduation ceremony where your dog will be formally transferred from the student trainers to you. While attending this training our university policies will apply to you. Please review the sections in our university catalog beginning with the admissions section through the end of the catalog. The catalog is available online: <https://www.berginu.edu/university-catalog.html>.

The fees associated with receiving a service dog are: *a \$2200 fee for the dog, as well as a \$558 fee for the two-week training course (the dog and training course fees are waived for Veterans with*

service-related disabilities). Other expenses you may need to plan for include: transportation, housing, food, and outings/fieldtrip expenses while attending the training course. After successful completion of the Team Training course, you will graduate with your dog and will be responsible for the ongoing costs of caring for your new partner, which may include, but are not limited to: food, grooming, toys, other supplies, annual veterinary exam, vaccinations, and other incidental expenses.

### **Ongoing Support**

Once a dog is placed with you, we provide ongoing support for the remainder of the working partnership. We work in partnership with you to support the dog's health, behavior, temperament, and training through written, phone, video, and in-person follow-up. We have a staff member dedicated to client services available to communicate with you whenever you need advice, and we have training staff that are ready to consult with you and support your needs on an ongoing basis.

At a minimum, we proactively reach out for regular follow-up each month for the first nine months of placement, and then annually thereafter. We do require in-person visits post-graduation, which is the financial responsibility of the client.

In addition, we are proud to offer our clients the opportunity to become full owners of their dog, depending on the specifics of each case. We also know that when a dog approaches retirement, it can be an uncertain and stressful time for our clients, so we give priority to our existing clients who seek a successor dog when their dog approaches retirement.

## Client Placement Overview and Policy

Students at Bergin University train and place service dogs as a part of the Assistance Dog Education degree program. Our main focus is providing these students with a thorough, in-depth and experiential education in the training and placement of service dogs. We appreciate your understanding and willingness to help our students learn, and we hope that our students will, in turn, be able to help you by training and placing one of our wonderful service dogs with you.

Bergin University of Canine Studies is committed to providing equal opportunities for all applicants regardless of ethnicity/race, color, sex, age, religion, marital status, sexual orientation, disability, gender, national origin, medical conditions, status as a veteran, or political or organizational affiliation.

Bergin University places dogs with the following client population:

- **Service dogs** are placed with adults, children, and veterans with mobility limitations who can competently handle the dog and maintain its well-being (with limited attendant or familial support). In addition, they would benefit from help with tasks such as: retrieving items, pushing buttons for elevators and doors, turning lights on/off, and pulling a manual wheelchair. We will only place dogs with children who have the maturity, physical ability, and desire to command and care for the dog.
- **Service dogs** for military service members and veterans who have been diagnosed with trauma related conditions such as Post Traumatic Stress Disorder (PTSD) and Traumatic Brain Injury (TBI) who would benefit from tasks for panic prevention and behavior interruption, as well as tasks that encourage social interaction.
- **Applicants who reside in residential facilities** that provide care such as nursing homes, Community Living Centers, or rehabilitation centers, must be able to provide basic care for the dog or have a designated attendant who can provide care throughout the day on a daily basis. These applicants must also have a plan to transport the dog to a veterinarian in case of an emergency. *Accepted on case-by-case basis.*
- **Applicants who are hospitalized frequently** must identify a designated caregiver for the dog who can house and provide care for the dog on an emergent basis, in the event the applicant is hospitalized and unable to care for the dog for a period of time. *Accepted on case-by-case basis.*
- **Applicants who are currently in treatment programs** (substance abuse, physical rehabilitation, etc.) must wait *at least 1 year* before applying in order to establish a baseline (i.e. regular provider, daily routine/activities, social support, living situation, etc.).
- **Applicants who have been psychiatrically hospitalized** must wait at least *1 year* before applying for a service dog. This allows for the applicant to increase psychiatric stability prior to applying, which is important because the service dog application process and team training process, if approved for a service dog, are quite intensive and will require significant insight and coping skills.
- **Facility dogs** are placed with teachers, nurses, facility managers or others who work in care facilities. Facility dogs provide invaluable benefits to the populations they serve, but they do not meet the legal definition of a service dog and do not have public access rights outside of their assigned facility. \*To apply for a facility dog, please fill out the Facility Dog application.
- **Animal Assisted Therapy dogs** are placed with counselors, psychologists, psychiatrists, and teaching specialists who wish to integrate a dog into their clients' treatment plans. \*To apply for an animal assisted therapy dog, please fill out the Facility Dog application.

- **Social Therapy dogs** to be placed with individuals who will visit nursing homes, hospitals, participate in children's reading programs, etc. We place social therapy dogs when we have a dog being released from our assistance dog program that has the right temperament for social therapy work. \*To apply for a social therapy dog, please fill out our release dog application on our website.
- **Students currently enrolled at the University** may not apply (or begin the application process) for a service, facility, or career change dog/release dog until after they graduate. Any application materials submitted to the Career Change/ Release Dog Department or Client Services Department will be immediately discarded.
- **Successor Clients:** Clients who previously had a BUCS dog and are requesting a successor service dog receive priority over new clients. Successor clients must have been compliant with all follow-up reporting and maintained their dog at a healthy weight. We reserve the right to decline successor clients who were noncompliant with follow-up requirements or let their dog become overweight.
- **Waitlist Policy:** At BUCS, we strive to ensure we can place dogs with all the qualified people we can help. To do that, we need the cooperation of our clients in the queue to do their part by working with us and their providers to move the process along. Bergoin University of Canine Studies reserves the right, at its sole discretion, to remove a client from the waiting list. Examples include, but are not limited to: the client is not compliant with quarterly follow-up with BUCS staff and/or refuses to participate in occasional video check-ins, his/her needs for a dog have changed, or the client does not have an active mental health treatment plan with a provider (PTSD waitlisted clients). While on the Waitlist, it is the responsibility of the applicant to update BUCS on a change of contact information, provider information, and changes in medical and mental health status.

\*\*All Clients and applicants are not required to participate in fundraising or public relations activities without expressed and voluntary consent.

We do not train or place the types of assistance dogs included in the following list. Please visit Assistance Dogs International's website ([www.assistedoginternational.org](http://www.assistedoginternational.org)) for a list of accredited organizations that offer these valuable services:

- Balance dogs for people who need ongoing support while walking.
- Guide dogs
- Hearing alert/service dogs
- Medical alert dogs, such as diabetic and seizure alert/assistance dogs
- Scent detection dogs such as allergen and gas detection dogs
- Autism service dogs
- Dementia/Alzheimer's service dogs
- Emotional support dog

## Assistance Dog Application

**Please note:** Application must be completed by the applicant or answered under the direction of the applicant.

**Bergin University of Canine Studies requests information and materials that may be considered confidential which will be used only for this application and not for any other purpose.**

### **Assistance Dog Application**

**Service dogs can run into difficulties and create problems for the team if the client does not use the dog appropriately and according to the law.**

**Do you have:**

- [ ] The capacity to bathe, toilet, groom, provide proper nutrition, exercise and ensure proper and timely veterinarian care for the dog independently or with designated 1:1 assistance?
- [ ] The capacity to meet the service dog's social and emotional needs throughout the dog's life?
- [ ] The ability and motivation to accept responsibility for using the dog appropriately?
- [ ] The ability and financial means to travel to Bergin University for an interview, and possibly at a later date, to attend a two-week client training (tuition, housing, travel, food, entertainment, other expenses)?
- [ ] The financial means to cover the annual cost (food, veterinary care, flea/tick/heartworm treatment, supplies, and other incidental expenses as needed) for a dog for its life, including the potential for an increase in expenses after the dog retires (estimated to be \$1000-\$5000+/year)?

## Applicant Medical History Form (1/7)

***This form is to be completed by your physician and sent by him/her directly back to Bergin University. Please sign the release (in box below) before giving the form to your physician.***

For applicants with Post-Traumatic Stress Disorder, this form must be filled out by the professional overseeing your mental health treatment plan. If you are seeking a service dog for symptoms of PTSD *and* mobility limitations, please have *both* your physician and your mental health provider fill out separate forms.

Dr. \_\_\_\_\_

Please release the requested information regarding my condition to Bergin University of Canine Studies. This information will help determine my abilities in regard to the placement of an assistance dog.

Applicant's Name (please print) \_\_\_\_\_

**Applicant's Signature** \_\_\_\_\_ **Date:** \_\_\_\_\_

### DOCTOR INFORMATION

Name & Credentials \_\_\_\_\_

Name of Practice \_\_\_\_\_

Type of Practice \_\_\_\_\_

Street Address \_\_\_\_\_

City \_\_\_\_\_ State \_\_\_\_\_ Zip \_\_\_\_\_

Phone (\_\_\_\_) \_\_\_\_\_ Ext: \_\_\_\_\_ Alt. Phone Number: (\_\_\_\_) \_\_\_\_\_

Email \_\_\_\_\_

Yes, you may contact me for further information or clarification if needed. *This box must be checked.*

How long have you worked with this patient? \_\_\_\_\_

How frequently do you work with this patient? \_\_\_\_\_

Do you have any experience with canine-assisted therapy or service dogs?  Yes  No

If yes, please explain:

### Applicant Medical History Form (2/7)

*This form is to be completed by your physician and sent by him/her directly back to Bergin University. Please sign the release before giving the form to your physician.*

#### PATIENT INFORMATION:

What is this patient's primary disability? \_\_\_\_\_

What was the cause of the disability? \_\_\_\_\_

At what age was (s)he disabled? \_\_\_\_\_ Is this disability progressive? \_\_\_\_\_

If yes, please explain:

\_\_\_\_\_  
\_\_\_\_\_

Are there additional disabilities, such as mild TBI? (If so, please identify)

\_\_\_\_\_  
\_\_\_\_\_

Please indicate any special instruction/consideration related to your patient's disability/medical conditions (for example hyperreflexia management, seizure precautions, etc.)

\_\_\_\_\_  
\_\_\_\_\_

Please list all current medications, including medical marijuana:

\_\_\_\_\_  
\_\_\_\_\_

Please list any over the counter medications (vitamins, supplements, sleep aides, etc.) s/he takes:

\_\_\_\_\_  
\_\_\_\_\_

Current number of hours of attendant care per week: \_\_\_\_\_

Has the patient participated in any inpatient or outpatient programs (physical rehabilitation, substance abuse, mental health, etc.)? [ ] Yes [ ] No

If yes, please explain: \_\_\_\_\_

Date of Admission \_\_\_\_\_ Date of Discharge \_\_\_\_\_ Program Type \_\_\_\_\_

Date of Admission \_\_\_\_\_ Date of Discharge \_\_\_\_\_ Program Type \_\_\_\_\_

### Applicant Medical History Form (3/7)

*This form is to be completed by your physician and sent by him/her directly back to Bergin University.  
Please sign the release before giving the form to your physician.*

Is there an active mental health treatment plan?     Yes  No

If yes, is patient reasonably compliant with the treatment plan?     Yes  No  N/A

Do you supervise the mental health treatment plan?     Yes  No  N/A

If no, who does? \_\_\_\_\_

If yes, please describe patient's progress in treatment plan, including length of time active in plan:

Please provide treatment summary or treatment plan.

Does the treatment plan call for Canine-Assisted Therapy?  Yes  No

If yes, please explain in more detail:

## Applicant Medical History Form (4/7)

*This form is to be completed by your physician and sent by him/her directly back to Bergin University.  
Please sign the release before giving the form to your physician.*

**Please circle EACH of the following using these number descriptions:**

0 = not applicable      1 = mild      2 = moderate      3 = severe

### MOTOR IMPAIRMENTS

0, 1, 2, 3 - Weakness                      0, 1, 2, 3 - Spasticity                      0, 1, 2, 3 - Coordination

0, 1, 2, 3 - Other: \_\_\_\_\_

### SENSORY IMPAIRMENTS

0, 1, 2, 3 - Vision                      0, 1, 2, 3 - Hearing                      0, 1, 2, 3 - Loss of Sensation

0, 1, 2, 3 - Other: \_\_\_\_\_

### COGNITIVE IMPAIRMENTS

0, 1, 2, 3 - Attention                      0, 1, 2, 3 - Memory                      0, 1, 2, 3 - Problem Solving

0, 1, 2, 3 - Judgement      0, 1, 2, 3 - Other: \_\_\_\_\_

### COMMUNICATION IMPAIRMENTS

0, 1, 2, 3 - Comprehension                      0, 1, 2, 3 - Expression                      0, 1, 2, 3 - Other: \_\_\_\_\_

### PSYCHOLOGICAL/BEHAVIORAL DESCRIPTIONS

- 0, 1, 2, 3 - Depression
- 0, 1, 2, 3 - Anhedonia
- 0, 1, 2, 3 - Impaired Self-Esteem
- 0, 1, 2, 3 - Hopeless/Helplessness
- 0, 1, 2, 3 - Appetite Disturbance
- 0, 1, 2, 3 - Suicidal Ideation
- 0, 1, 2, 3 - Isolation
- 0, 1, 2, 3 - Emotional Numbness/Detachment/Restricted Affect
- 0, 1, 2, 3 - Lack of Empathy
- 0, 1, 2, 3 - Anxiety
- 0, 1, 2, 3 - Panic Attacks
- 0, 1, 2, 3 - Hyper-Vigilance
- 0, 1, 2, 3 - Impulsivity
- 0, 1, 2, 3 - Exaggerated startle response
- 0, 1, 2, 3 - Sleep Disorder

- 0, 1, 2, 3 - Irritability/ Anger Control Issues
- 0, 1, 2, 3 - Substance Abuse; If applicable, please describe in more detail the type & severity:

Sobriety Date: \_\_\_\_/\_\_\_\_/\_\_\_\_

0, 1, 2, 3 - Other: \_\_\_\_\_

### **Applicant Medical History Form (5/7)**

*This form is to be completed by your physician and sent by him/her directly back to Bergin University.  
Please sign the release before giving the form to your physician.*

#### **ADDITIONAL MEDICAL CONDITIONS**

- |                                     |                                  |
|-------------------------------------|----------------------------------|
| 0, 1, 2, 3 - Cardiovascular Disease | 0, 1, 2, 3 - Respiratory disease |
| 0, 1, 2, 3 - Diabetes               | 0, 1, 2, 3 - Seizure disorder    |
| 0, 1, 2, 3 - Chronic pain           | 0, 1, 2, 3 - Neurogenic bladder  |
| 0, 1, 2, 3 - Neurogenic bowel       | 0, 1, 2, 3 - Other: _____        |

#### **ASSISTIVE DEVICES** (Please check any that apply and indicate frequency/ provide more detail)

- manual wheelchair; frequency: \_\_\_\_\_
- power wheelchair/scooter; frequency: \_\_\_\_\_
- walker; frequency: \_\_\_\_\_
- crutches; frequency: \_\_\_\_\_
- cane; frequency: \_\_\_\_\_
- orthosis; Please describe in more detail: \_\_\_\_\_
- prosthesis; Please describe in more detail: \_\_\_\_\_
- hearing aid; Please describe in more detail: \_\_\_\_\_

**Please identify Functional Independence Measure (FIM) levels for EACH of the following motor activities based on this scale:**

#### **No Helper**

- 7 = Complete independence (timely, safely)
- 6 = Modified independence (device)

#### **Helper-modified independence**

- 5 = Supervision
- 4 = Minimal assistance (patient can perform 75% of this task/activity)
- 3 = moderate assistance (patient can perform 50% of this task/activity)

#### **Helper- Complete dependence**

- 2 = maximal assistance (patient can perform 25% of this task/activity)
- 1 = total assistance (patient can perform 0% of this task/activity)

#### **Self- Care**

- |                                     |                              |                         |
|-------------------------------------|------------------------------|-------------------------|
| 1,2,3,4,5,6,7 - Eating              | 1,2,3,4,5,6,7 - Grooming     | 1,2,3,4,5,6,7 - Bathing |
| 1,2,3,4,5,6,7 - Dressing upper body | 1,2,3,4,5,6,7 - Toileting    |                         |
| 1,2,3,4,5,6,7 - Dressing lower body | 1,2,3,4,5,6,7 - Other: _____ |                         |

#### **Sphincter Control**

- |                                    |                                  |
|------------------------------------|----------------------------------|
| 1,2,3,4,5,6,7 - Bladder management | 1,2,3,4,5,6,7 - Bowel management |
| 1,2,3,4,5,6,7 - Other: _____       |                                  |

#### **Transfers**

- |                                   |                       |                            |
|-----------------------------------|-----------------------|----------------------------|
| 1,2,3,4,5,6,7 - Chair, wheelchair | 1,2,3,4,5,6,7 -toilet | 1,2,3,4,5,6,7 -tub, shower |
| 1,2,3,4,5,6,7 - Other: _____      |                       |                            |

#### **Locomotion**

- |                                   |                      |
|-----------------------------------|----------------------|
| 1,2,3,4,5,6,7 - Walk & wheelchair | 1,2,3,4,5,6,7 - Walk |
| 1,2,3,4,5,6,7 - Wheelchair        |                      |
| 1,2,3,4,5,6,7 - Other: _____      |                      |

### **Applicant Medical History Form (6/7)**

*This form is to be completed by your physician and sent by him/her directly back to Bergin University.  
Please sign the release before giving the form to your physician.*

Please provide additional details to describe mobility, such as use of arms, legs, fine motor skills, ability to bend, and balance:

---

---

Is the patient a fall risk? When was the last time s/he fell? How frequently does s/he fall?

---

---

**Service dogs can run into difficulties and create problems for the team if the client does not use the dog appropriately and according to the law.**

**Would you expect that the patient:**

The capacity to bathe, toilet, groom, provide proper nutrition, exercise and ensure proper and timely veterinarian care for the dog independently or with designated 1:1 assistance?

The capacity to meet the service dog's social and emotional needs throughout the dog's life?

The ability and motivation to accept responsibility for using the dog appropriately?

The ability and financial means to travel to Bergin University for an interview, and possibly at a later date, to attend a two-week client training (tuition, housing, travel, food, entertainment, other expenses)?

The financial means to cover the annual cost (food, veterinary care, flea/tick/heartworm treatment, supplies, and other incidental expenses as needed) for a dog for its life, including the potential for an increase in expenses after the dog retires (estimated to be \$1000-\$5000+/year)?

If you cannot expect any of the above, please explain:

---

---

---

Once a service dog is ready for your patient, the next step is for the patient to attend a two-week training at our University in Sonoma County. We call this Team Training. This training is physically and mentally demanding (8 hr days, lectures, public field trips, tests, quizzes, working final, etc.). Do you think your patient could handle the rigorous nature of this course?  Yes  No If not, please explain:

---

---

**Applicant Medical History Form (7/7)**

*This form is to be completed by your physician and sent by him/her directly back to Bergin University.  
Please sign the release before giving the form to your physician.*

**Can you recommend this individual for an assistance dog?** \_\_\_\_\_

Comments \_\_\_\_\_

**If you are unable to recommend this individual for an assistance dog please indicate which of the following concerns apply:**

- History of treatment resistance
- Consistent lack of insight regarding disability & related care needs
- Unstable home environment
- Unable to care for dog (either directly or with physical assistance of others)
- Potential for abuse of dog
- Potential for unsafe, unhealthy environment for dog
- Potential for not able or willing to use dog responsibly and appropriately
- Other – please explain: \_\_\_\_\_

**Do you have additional comments/concerns? If so, please explain** \_\_\_\_\_
